SUNDAY 13TH OCTOBER, 2024

**October 2024- Our month of DIVINE REJUVENATION!  
Our month of Divine Renewal!**

## **FROM THE FATHER'S HEART**

### **KEEP GUARD ON YOUR WORDS**

Dearly Beloved,

Words are not ordinary. Pay attention to words in your life. God is a speaking Spirit and He created man in His own image, hence man is also a speaking spirit. Don't neglect words, don't ignore words. Words make things happen to you or happen for you.

Your words affect your future and affect your present. Your past is a reflection of the words you have been speaking and words that have been spoken over you, to you, against you and for you. Words are not ordinary, words are spiritual. That's why Jesus said in the Scriptures that you will give account of every idle word you have spoken (Matt. 12:36). The devil uses words, God uses words and the entire universe responds to words. The earth was formed and shaped by the words of God.

**“The words you speak to and about yourself are vital. They determine what you can achieve, accomplish and do.”**

Pay attention to the following kinds of words:

- Words you speak to yourself;
- Words people speak to you; and
- Words spoken over you.

These are categories of words you must be attentive to. The words you speak to and about yourself are vital. They determine what you can achieve, accomplish and do. These words determine your effectiveness in life. They affect you and your outcome in life. The truth is that angels are waiting to act and run with your words to make things happen to and for you in life. Demons are also waiting to attack you based on the negative words you speak over people and yourself.

You must have someone who speaks anointed words over you. Always stay in favour and in the good pleasure and good will of the anointing and anointed around you so that they can always speak

anointed words over you. Don't displease the anointing God has put over you and around you. They are your key to anointed words. Beware of negative words spoken in the guise of strange prophecies. Beware of careless speakers. Take time also to speak anointed words from the Scriptures over yourself.

Till next week, go and win with Jesus.  
God's Servant,  
Rev. Olusola Areogun.

### STUDY 10 – ENHANCING YOUR SENSITIVITY TO THE HOLY SPIRIT (10)

TEXT: 1 Cor. 2:9-11

One atom of revelation from the Holy Ghost is worth a ton of sense knowledge. You can build a billion naira business on just one word from the Holy Spirit. Lots of time when people hear teaching like this, they just expect to get a word from the Holy Ghost and that's the end. Take note that what I said is that one word from the Holy Ghost can build a billion naira business for you. So if you get that word and the Lord says, "My son, I want you to start selling sand," you got it from the Holy Ghost and it can make you a billionaire but that does not mean He's going to make you a billionaire tomorrow. That's where you now bring your mind to bear. You are sure you cannot fail doing it. When you know you can't fail on a road, you will stay there until you make it.

For example, I didn't come to do ministry work because I was jobless. When God called me to ministry, He called me from my plan. It's not like now when you find graduates that are jobless going into ministry. That time, companies would come to the campus to employ brilliant students even before they graduate. I had an offer to work with Shell Oil Company not in Nigeria but overseas when the

naira had great value. I left that because of the call of God to go to Ilesa where God sent me and I was earning 10 naira per week. I was sure that was what God wanted me to do. When I got engaged to my wife, I was very sure she was the person God wanted me to marry. We had 6 years of courtship because I wasn't in a hurry to get married. I was the best man for all my friends until the Chaplain at All Souls' Chapel said, "Man of God, come with your own wife when next you're coming." I was under-studying people. I was already an ordained reverend as a best man bachelor. It was in my study of people that I saw the law of sowing and reaping in action in the kind of gifts couples receive during their wedding reception. There was a brother who I was his best man who never gave a serious gift at every wedding he attended. All he usually gave were carved calabashes and tumblers. On the day of his wedding, the hall was filled with people and the line of people that brought gifts was so long. All that were wrapped as gifts for him were carved calabashes and all sorts of funny things. His house was like that of a herbalist at the end of the wedding!

You will never give your best to anything until you're absolutely sure this is what God wants you to

do. Whether it's something secular or something spiritual, you are never going to give your best to it until that sense of certainty is obtainable inside your spirit. Don't get involved in what you're not sure of.

The subject of accuracy is critical to our lives as Christians. Don't put your talent and energy to something that is wrong. Something may be wrong for you and right for another person. God didn't call us to compete with one another; He wants us to complete one another. He didn't call us to compare ourselves with each other. Even if you want to buy a land, listen to Him. He knows the future of that land more than you do. He knows what is going to happen in the future more than you do. Remember that everything that we know, all the specialisations in this world, has to do with the past and yesterday. There's nobody that has a vision of tomorrow without the Holy Ghost. The devil doesn't know, so he can't tell you about the future. He can only speculate because he's a smart speculator but he doesn't know tomorrow. That's the advantage that we have when we follow the Holy Spirit.

## TESTIMONY

I had almost lost all hopes of a Career progression when I found myself stuck in the Banking Sector for more than fifteen (15) years. There was no light for any reasonable person to imagine because every hope for a promotion or advancement had become a mirage through the age to grade web currently prevalent in the Nigerian Banking Industry. This simply means that you are limited and on the verge of exit once you get to a certain age on a particular grade.

The only string that kept me going was God's Word to Daddy many years ago that "if you don't stop praying, I will get through to you someday". So, I kept my faith all through the years and continuously soaked in the prophetic in the House. The Divine impartation was culminated in the ministration on Wednesday the 27th of December 2023, where God used Daddy to release the Headship Anointing on all sons & Daughters of the Dream City. Within 4 months from that unusual prophetic flow, the doors for several interviews were suddenly opened to me after years of being shut down due to age limitation. And this ushered me into a new and good position in a Multinational Telecommunication firm. Thank you Daddy and Mummy for your unflinching support even during the Interview phases. Up Holy Ghost !!!
