November 2024- Our month of Divine Synchronization and Right Steps

FROM THE FATHER'S HEART THE POWER OF RELATIONSHIPS

Dearly Beloved,

Relationship is an important aspect of your life on the earth. God never created any man to be alone. In fact, God said it is not good for man to be alone (Gen. 2:18). You were not just created to be a lone ranger. You cannot make it alone. The only thing you can do alone is nothing. To achieve greatness in life, you need relationships. You need people, not just people, but right people.

Your need for relationship implies that you must seek to be involved in the right relationships and not just good relationships. Good relationships may not be right. Beware of good relationships in your life that are staging you up for disaster. Is that relationship you are involved in God's will, is it right?

Don't just allow relationships that are undefined develop around you passively. That's what the

devil wants so that he can pollute you and dilute you. People who just passively and by circumstances allow themselves into relationships get into trouble soon. That you live in the same place or go to the same school or work is not enough for a relationship to begin to develop. Don't be porous with your life as far as relationship is concerned. You may not be able to determine who you associate with but association is not enough for a relationship to start. Become deliberate in your relationships and allow God to connect you in relationship.

The following will help you discern right relationships:

1. Divinely initiated: The linking factor is always God. It is not a human arrangement. Some people in the world arrange relationships even with money. Sadly, this is creeping into the Church now. You need to watch out for relationships that God Himself initiated and respect it, don't fight it.

“ Become deliberate in your relationships and allow God to connect you in relationship. ”

2. Marked with a divine flow: The awe of God is in that relationship there is no funny, carnal flow that does not edify. Usually that relationship always brings a divine flow into your life.

3. There is usually a kindred spirit: There is usually a deep spiritual affinity for each other. This affinity is spiritual not sense based. It is spirit based.

4. Birthed by the Holy Spirit leading: Divine relationships that are right flow from the leading of the Holy Spirit in your life and you must watch out for those leadings. Don't neglect them and don't let your mind take over from your spirit.

You must understand that right relationships will greatly bless you. The devil wants to attack the right relationships in your life and wants to give you good but wrong relationships. Protect yourself from such. Wrong people and wrong relationships waste people. You shall not be wasted. Amen!

Till next week, go and win with Jesus.

God's Servant,
Rev. Olusola Areogun.

STUDY 14 – THE HOLY SPIRIT- THE GREATEST FORM OF WEALTH ON EARTH (4)

TEXT: 1 Cor. 1:26-29

Please don't be a carrier of the Holy Ghost and still struggle in life. Don't think like that Pastor who said "Look all of us have the Holy Ghost, tell me what you are using." "Use the Holy Ghost in you because He is your advantage. Personally, I use the counsel the Holy Ghost gives me, I never despise them. God Works with the Foolish, the Weak and the Base For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called: But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are: That no flesh should glory in his presence. 1 Corinthians 1:26-29

According this scripture, the people that God can work with, work for, and work through, must be foolish, weak and base. The word base means so ugly you should not bring it to the public. Foolish is

better translated moron and you must be all of the three before He can work with you. Moron here is not to say you did not have a formal education but even though you are as educated as a Moses was and your colleagues in education in the military who are experts in sword and have seen you with the Pharaoh's army, but you still go ahead to lead a people not forming them into an army to fight back but here you are pointing your rod to divide the Red sea.

You become as foolish as Joshua was to tell your men to march round the walls of the enemy's city because that was the instruction you received from God. No military general will say that is sensible. Foolish, here, is the willingness to lay aside your education and intelligence when you get His revelation. Foolishness to obey when He tells you, "Son, go and open that shop now; buy that plot of land now" and you know that it is a deserted place but you obey. One pastor said God told him to buy a plot of land of one thousand dollars. By the second year, the place was worth three million dollars.

When He told him to buy it, it was a useless plot of land, but God saw what was going to happen two years to come; that development and legislation will make it the most critical portion in the city. Be a moron in the sense that you know- there is a way that looks right to a man but the end thereof is destruction and in the same vein, there is a way that looks foolish to men but the end thereof is wealth and rest.

TESTIMONY

This is a testament that there is no declaration that God gives through our father that He wouldn't fulfil.

I joined my husband in the UK some few years ago. He completed his studies, and while I wished to go to school, I knew it was just a dream. Sometimes, I had people say I should go to school too and I always replied that I wish to but as it is not affordable, it is not likely to happen. Little did I know that daddy declaring scholarships, "mo je a la ba pin ninu e"

I came to Nigeria during GOBC and had reasons to go see an uncle who asked me the same question about school in the UK to which I gave my usual reply. He said go and apply and I will pay. I said sir, this is the amount. He repeated himself and I just couldn't comprehend it.

For days I kept thinking it impossible maybe he was unsure of how much he's committing to.

To the glory of God, I ended up with a fully paid fee covering two years and all other expenses incurred in processing all in the UK. I did not pay a penny to go back to school.

It is a dream I would never have thought off in my entire life have.

Jesus is real, and I have just enjoyed a covenant that God cut with my father even before I joined the church.
