MARCH 2023: Our month of Headship -Authority and Dominion! Genesis 49:9-12

FROM THE FATHER'S HEART

PROPER RESPONSE TO DIVINE TIMING

Dearly Beloved,

God is a God of times and seasons. Though He is not sheathed or limited by time, He puts His activities and operations in times and in seasons. The Bible tells us that “To everything there is a season and a time to every purpose under the Heaven (Ecc.3:1-10).”

God has made everything beautiful in its time.

God is a God of time and His purpose unfolds with specific times. Seek to know what your time is in God and align yourself with it. Aligning yourself with divine timing is crucial to your fulfilling purpose under God.

The Bible talked of the Men of Issachar who had understanding of the times. You need the Issachar's anointing to be able to know what God's programme is

for you in this time. God's programme for you now may be to get trained for destiny and the future waiting for you so that your manifestation may be sound.

David was in divine timing when he kept his father's flock. He was getting trained for his future by killing the lion, killing the bear, and learning tenderness with his father's sheep. Please take note of what God is training you with now and pay attention to it.

“
**Seek to know what your
time is in God and align
yourself with it**
”

Take it serious. May be you have seven people under your care now to watch over, take them serious. Fulfill your duties towards them, be faithful over them. By doing that, you are preparing for the greater assignment God has for you. Be sensitive to divine activities that are on going in your life. Don't be distracted by human activities that are happening or not happening.

(continued on next page)

The Dream Centre... “Committed to helping men realize their God-given dreams in life”

When David's father sent him to go to the battlefield to give food to his brothers, that was the time God had been preparing him for and He did not miss it. When it is your time, one thing will always lead to the other for your purpose to be accomplished. When David heard Goliath's voice, something stirred up inside him and he asked for what should be done to anyone who killed the uncircumcised Philistine. He was sensitive enough to his timing under God. Sensitise yourself and respond right to your divine times for the divine activities of God to break forth in your life.

Till next week, go and win with Jesus.

God's Servant,

Rev. Olusola Areogun

PROPHETIC, EFFECTIVE, AND PRODUCTIVE (PEP) STUDIES

Theme: The Holy Spirit -Rev. Olusola Ayodele Areogun

Study 12 – Enhancing Your Sensitivity To The Holy Spirit 8

Texts: Philippians 3:3-12

When we stated church at Ilesa, SW Nigeria, the technical department of the Church was headed by an electrician and we had all kinds of problems. So I asked the Lord what the matter was. The Lord said the brother wasn't praying. He's confident that he's an electrician and can handle any wiring problem. In fact, he wouldn't even attend steward's prayer meeting and the devil would embarrass him. So the Lord led me to put a doctor in charge. And the doctor who didn't know anything about wiring had to pray well for God's guidance and we didn't have that problem again because he was somebody that depended on God to lead the team.

The devil can handle the natural

It doesn't matter who you are, the devil can handle whatever you are in the physical. Whether you're the President of America or whatever country, the devil can handle you but he can't handle the Holy Ghost. It doesn't matter what you have become, once it is something that you have become naturally, the devil can handle it and he doesn't want you to ever leave that zone where he can handle you.

A Christian that is not praying is simply saying that he doesn't need God. Prayerlessness is a sign of pride; it's not a sign of busyness. Prayerlessness is one of the most arrogant signs that a human being can send towards Heaven. Let me ask you one question: If someone has a situation in his body, and his doctor gave him a drug that he's to take three times a day for the rest of his life

and he's told that if he misses a morning dose, he will not last till night, if he misses afternoon dose, he will not last till the following day, if he misses night dose, he won't make it overnight, do you think he can be busy enough to forget to take that drug? Can he ever find himself in a situation that he's so embarrassed by the people around him that he will not take the drug? No! He would explain to them and take the drug.

That is a poor similitude of what prayer and our relationship with the Holy Ghost is in our life, but close enough. Paul said if anybody had something to boast about, he had more but he laid it aside. That's the beginning of developing a walk with the Holy Spirit. The walk in the supernatural is the most expensive experience for a human being. The reason is what it will cost you is not in monetary terms but in things much more expensive than money; it will cost you looking stupid.

Don't attempt to take Leadership from the Holy Spirit. Jesus said "... for without me you can do nothing (John. 15:4)." Yet, we're attempting to do plenty without Him. God told one pastor, "I would prefer that you're too slow for Me than to be too fast." He asked why and God said, "If you're too slow, at least I am still in front and you can still see my footprints. But if you're too fast, you're out in front on your own and you will get lost." It is safer for you to be too slow for God than somebody going in front of God's process and taking over leadership from God.

Testimony

This healing testimony has been in my spirit to share for a while now. Sometimes around middle of January, I had a dream of how I saw something like a boil on the inner right side of my chest.

I started pressing it to remove the pus in it and as I continued, I saw something like a grain of rice coming straight into the boil, I then started pressing it to come out along with the pus but it was becoming very painful.

I started pleading the blood of Jesus and then I woke up to pray cancelling every demonic introduction into my body.

When I woke up, I started feeling the pains on that side of my chest. I attack it in prayer with the word of the Lord any time I feel the pain. Somehow, anytime my mind goes there, I feel the pain again until the last Sunday of January when Daddy was taking benediction and he paused to say: "there is someone there having some pains on the chest; he is healed in Jesus name.

I knew it was me and that was it. I have not had the pains since then. I thank God for the intervention.

ANOINTED VOCABULARY

'And he answered, Fear not: for they that be with us are more than they that be with them.'

2 KINGS 6:16 (KJV)

I bind every spirit of fear that come to scare me away from my inheritance, I rebuke you in the name of Jesus. I do not fear, they that be with me are more than they that be with them.

My backup is stronger, is superior to the enemy's backup. I overcome, I win 24/7.

Thank you Father.
